Revenge is not a good thing Lilly.  
Revenge is not a good thing Jessica.  
She say's it feels so good to hurt me.  
She say's it feels so good to make me cry.

"I don't think we should meet again.  
I think I should forget that you exist.  
You're a curse that keeps getting worse.  
Now I know I'm finally done with you".

I don't think that I can make this.  
This is so much more than I can take.  
This is the worst cut ever.  
Everything goes into a thousand pieces.  
Everything goes into a thousand pieces.  
I'm damaging this apartment.  
So damn you two for making me unable to stop loving  
you.

I might live in an illusion  
But I really thought we could change the world.  
"No, let's play by the rules now Pablo.  
Let me show you how easily I could get laid.

And how I've become an object,  
How my body is desired as a chocolate bar in school".  
I don't regret any of this,  
The endless phone calls nor the left cheek kiss.

I don't think that I can make this.  
This is so much more than I can take.  
This is the worst cut ever.  
Everything goes into a thousand pieces.  
Everything goes into a thousand pieces.  
I'm damaging this apartment.  
So damn you two for making me unable to stop loving  
you.

I'm so tired of shame, of the pain that I've spread,  
Of the "don't give up 'cause the good times ahead".  
So damn you two for making me unable to stop loving  
you.

So damn you two...  
So damn you two for making me unable to stop loving  
you.  
So damn you two...
