Oh I miss you so much
I would like to lie beside you grandpa
If I was going down today
I miss your pancakes and the late night soccer games
we watched
Your humble swearwords too
Oh I miss you so much so much so much so much
I wanna hear about the things that you've been through
I miss you grandpa

My Swedish teacher said "Write an essay on sadness
Pablo"
I wrote an essay about you
"This is the best thing I've ever read"
I said "Thank you" but I thought
It won't bring you back to me
Oh I miss you so much so much so much so much
I wanna hear about the things that you've been through
I miss you Grandpa

I had a dream about you, you said
"Tell me of the things I missed out on"
I told you everything that's new
about Sanny and Tim, about the sorrow within
About the world according to Pablo
Oh I miss you so much so much so much so much
I wanna tell you about the things that we've been
through
I miss you grandpa

Do you remember when my best friend played the
piano for you and me?
You were sitting on the couch I sat beside him and I
watched you
You were tapping your hand in time
He played Imagine at your funeral
Oh I miss you so much so much so much so much
I wanna tell you about the things that we've been

through
He's married now grandpa
