Words: L.Lindquist

Music: L.Lindquist

16 years old I'm on my way to you
I bought the cigarettes you asked me to
And spring is in the air I'm running up the stairs
We got the house for ourselves for a week

We don't need anyone to cook our food
We don't need anyone to tell us the damage that
smoking does
We don't need the fuzz just don't need the fuzz

Oh oh Oh oh, uh I'm alive
and no one's gonna hurt me now
Oh oh Oh oh, uh we're alive
and no one's gonna hurt us now

Let's have an outdoor event
help me carry out the speakers
and put your favourite record on
We're in a house in the woods with no neighbours at
sight
tonight we're gonna touch the sky

We're gonna talk about the times that come
we'll be dancing in the moonlight
we'll forget about the bullies and the bad boys
and be Billie no mates together tonight

Oh oh Oh oh, uh I'm alive
and no one's gonna hurt me now
Oh oh Oh oh, uh we're alive
and no one's gonna hurt us now

We've been bored behind bars, in a terrible shape
and doing time for way too long
Now they've opened the gates
I can't believe it's true
I'm gonna spend this weekend with you

I beg sweet relief to come close
I beg sweet relief to come closer
I watch sweet relief up close
I took her by the hand and she set me free

Oh oh Oh oh, uh I'm alive
and no one's gonna hurt me now
Oh oh Oh oh, uh we're alive
and no one's gonna hurt us now
