I'm on the road with the best band I know.
Fia's a-sleep on Monos' shoulder.
We're on our way to Oslo, yes we are,
We are on our way Stockholm.

Gustav's a-sleep with his headphones on.
He made a joke and fell asleep
And I can hear a soft sound, oh yeah,
From Elvis Presley's Return to Sender.

What would have happened if I'd never asked you
To play in this band with me?
I don't know what I'd do without you.
I don't know what I would do without,
What I would do without you.

Inti is chewing on a biscuit and I am trying to get his
attention.
Yeah, I need some attention.
Inti laugh at me, 'cause I know I am your favourite Billie.

Lisa is solving a sudoku with Johnny.
I love to hear them argue aboutstupid things.
Lisa is so stupid, in a funny way.
Johnny is so stupid too, in a stupid way.

What would have happened if I'd never asked you
To play in this band with me?
I don't know what I'd do without you.
I don't know what I would do without,
What I would do without you.

"Soon you will get what you deserve", Maria says,
"and everything will be alright.
Now I need some attention, yes I do, from you,
'Cause I know I'm your favourite Billie".

Would you believe me if I told you the truth now,
This is the best days of my life.
Can't get enough of it. Can't get enough of you,
Can't get enough of you.

What would have happened if I'd never asked you
To play in this band with me?
I don't know what I'd do without you.
I don't know what I would do without,
What I would do without you.
