You're no longer what you wanted to be
You have lost the good things I loved about you
You're not going where you wanted to go
and my respect for you is vanished and gone
And I know Pablo that you're lying to me
You're a monster a liar and a thief
Can't you see what you're doing to me
Are you blind? It's so obvious

So take me down to the paradise city
Where the grass is green
and the boys are just like you
where I can start again

I'm no longer what I wanted to be
I have lost the good things you loved about me
I'm not going where I wanted to go
and your respect for me is vanished and gone
I don't like my reflection these days
I give up now I am giving in
Carry me my imaginary friend to the place
where I was before

So take me down to the paradise city
Where the grass is green
and the girls are just like you
where I can start again

So take me down to the paradise city
Where the grass is green
and the girls are just like you
where I can start again
