Words: L.Lindquist

Music: L.Lindquist

I have had just about enough of people like you Mr
Magnusson
Jealous and evil fucks just like you Mr I didn't make it
I'm gonna close your window I'm gonna cancel my
subscription
I'm not gonna pay more attention to ya
For I'm in the mood for some bebopalula

Oh baby Yeah honey
Sugar it feels so good when you touch me
Oh baby Yeah honey
Sugar it feels so good when you touch me

Everyone's afraid of the financial situation
Everyone's so scared of the big bad economic wolf
I can't think of anything else than to lay in bed here
naked with you
Let's make love until the crises is over

Oh baby Yeah honey
Sugar it feels so good when you touch me
Oh baby Yeah honey
Sugar it feels so good when you touch me

Can't you see that I care for you
That I truly love the way you misbehave
Can't you see that I adore you from the bottom of my
blood pumping heart
Isn't it obvious cause I blush when you say
"Brush your teeth and come this way
and kiss me where I've never been kissed before"
So come on

Oh baby Yeah honey
Sugar it feels so good when you touch me
Oh baby Yeah honey
Sugar it feels so good when you touch me

There are evil people just 'round the corner
They're not from Afghanistan
I'm in the mood for some bebopalula
I'm in the mood for some bebop too

Oh baby Yeah honey
Sugar it feels so good when you touch me
Oh baby Yeah honey
Sugar it feels so good when you touch me

Let's forget about the dirty world
