Once upon a time we came from Denmark to Sweden to
settle down

It felt bad in the beginning and it just got worse [so
much worse]

They were making fun of me and my Danish
pronunciation

so I started stuttering

I tripped over my tongue

and I dreamed about Denmark

[he dreamed about Denmark]

yeah I dreamed about Denmark

the beautiful streets of Copenhagen and

the home of H.C. Andersen

A loving and warm hearted theory, but with a terrifying
practice

I caught the devil in disguise I could feel the
indifference rise

I cursed my Swedish class mates I put a spell on my
Swedish teacher

She blindfolded her eyes and ears too when they were
mocking me

I dreamed about Denmark

[he dreamed about Denmark]

yeah I dreamed about Denmark

the beautiful streets of Copenhagen and

the home of H.C. Andersen

We got a new strict teacher after the summer of '84

and all the bullies sat properly and quiet

when the teacher came through the door

suddenly I heard myself making this loud and
annoying noise

and the teacher said "Are you retarded boy?"

I said "No, but maybe you are"

and I started dreaming about

[he dreamed about Denmark]
yeah I dreamed about Denmark
the beautiful streets of Copenhagen and
the home of H.C. Andersen

But I became the untouchable hero
and the mocking was history
I got a girlfriend named Jennie
and now the crowd were following me
I almost stopped stuttering
and the Danish dreams were gone
Everything went from black and white to colour
but I kept dreaming on... about Sweden

[he dreamed about Denmark]
No I dreamed about Sweden
the beautiful streets of Stockholm
and the home of Astrid Lindgren
