All your life you've lived a sinner the bright way you've
never trod

You're drifting away, you're drifting away

When you come to cross the river and you haven't met
with God

You're drifting away, you're drifting away

You're drifting away, you're drifting away

On down the dark river I'm sorry to say

You're drifting away, you're drifting away

Don't wait too long to let Jesus hear you pray

You won't give up your earthly treasures to enter the
promised land

You're drifting away, you're drifting away

You can hear Jesus callin' but you won't accept his hand

You're drifting away, you're drifting away

You're drifting away, you're drifting away

On down the dark river I'm sorry to say

You're drifting away, you're drifting away

Don't wait too long to let Jesus hear you pray

When you come to cross the river Jesus won't give the
command

You're drifting away, you're drifting away

And that dark rollin' river takes you to the sinkin' sand

You're drifting away, you're drifting away

You're drifting away, you're drifting away

On down the dark river I'm sorry to say

You're drifting away, you're drifting away

Don't wait too long to let Jesus hear you pray
