I'm tired I'm tired of all these games
The games they play when they think it's ok
Ready or not here I come this hide and seek it isn't
fun...yeah

All we needed was some time
To breathe
All we needed was some time
To see

Hey there Mr. Nice guy can you spare a penny or two
See I lost my job and I've got nothing to do
So I walk these streets, I'll beg through this town
And I hope to God it changes soon because I'm going
down
I'm going down

All we needed was some time
To breathe
All we needed was some time
To see

I'm running away
Cus' I wanted to yesterday
I'm running away
Right back to you

Here I am with my arms open wide
I open the door and I walk inside but there's
No one there for my blue eyes to see
Cus' everyone ran away from my dream
My dream

Yeah run in, run in, run out
run in, run in, run out
Yeah run in, run in, run out
Yeah run in, run in, run out
