There's always numbers  
In my head  
A countin hunger  
That must be fed

Got some pills  
By my bed  
Supposed to eat 'em  
But I count them instead

Am I crazy  
Am I mad  
I've run out of fingers  
They're all I had

[Chorus:]  
I'm always countin'  
I'm always countin'  
Only trouble is  
I'm countin on me

I wake up achin'  
I count the pains  
The storm ain't breakin'  
I can't count the rain

I count the spectators  
But the crowd just grows  
I'm a speculator  
Of the highs and lows

I've been playing  
With a loaded deck  
But the card are claiming  
I'm a nervous wreck

[Chorus:]  
I'm always countin'  
I'm always countin'  
Only trouble is  
I'm countin on me
