"Sorry" is all that you can't say  
Years gone by and still  
Words don't come easily  
Like sorry, like sorry

"Forgive me" is all that you can't say  
Years gone by and still  
Words don't come easily  
Like forgive me, forgive me

(Chorus)  
But you can say baby  
Baby can I hold you tonight?  
Maybe if I told you the right words  
At the right time you'd be mine

"I love you" is all that you can't say  
Years gone by and still  
Words don't come easily  
Like I love you, I love you

(Chorus)

Baby can I hold you tonight?  
And maybe if I told you the right words  
Yeah, at the right time, you'd be mine
