Maybe I'm crazy  
Maybe I'm blind  
Cause I can't understand  
The kind of mind

That kills for God  
Or money or the land  
It just seems odd  
To take that kind of stand

Some on the East side  
Some on the West  
Who think that somehow  
Their way is best

But there are some  
There in the middle  
Who's lives have come  
To mean so little

[Chorus:]  
You can preach all you want to  
And make up forever more  
I know you want to walk into  
Another world  
But I don't see no Beautiful Door

I can't help myself  
I like this place  
And leavings not a thing  
I want to face

But those who wanna go  
Knock yourselves out  
Just don't take those  
Who don't care about

Your power dreams  
And your golden gates  
Cause I hear their screams  
As you deal their fates

You'll never kill this world  
But I am afraid  
That you'll take away  
Those you said God made

[Chorus:]

You can preach all you want to  
And make up forever more  
I know you want to walk  
Into another world  
But I don't see no Beautiful Door

I know you want to walk  
Into another world  
But I don't see no Beautiful Door

You say you want to talk  
About a better world  
But you've closed that Beautiful Door
