Everybody's talking at me
I don't hear a word they're saying
Only the echoes of my mind

People they're stopping and staring
I can't see their faces
Only the shadows of their eyes

I'm going where the sun keeps shining
Through the pouring rain
I'm going where the weather suits my clothes

I'm banking off of the northeast wind
Sailing on summer breeze
And skipping over the ocean like a stone

I'm going where the sun keeps shining
Through the pouring rain
I'm going where the weather suits my clothes

I'm banking off of the northeast wind
Sailing on summer breeze
And skipping over the ocean like a stone

Everybody's talking at me
I don't hear a word they're saying
Only the echoes of my mind

I won't let you leave my love behind
