I don't have a girl to bail me out tonight  
And I don't have the means to help myself  
I don't have a friend to get me tight tonight  
It seems like nothings right when nothings left  
I bit the hand that fed me & I made the knife that bled  
me

But I used to be a lion  
But I used to be a lion

I don't have the pride to hold my head up high  
And I don't have the strength to make the kill  
These days I don't run free I'm just passing by  
Waking up at all is my only thrill

I lost the ones that love me  
Now everyone's above me

But I used to be a lion  
I used to be a lion
