#### Verse 1

You were always quick to throw a line,  
you always had it togetehr that way,  
and you  
shine like a bright star

you always impressed me with the fact,  
on how your boys were never last,  
and you,  
shine like a bright star,

but now were struggling to survive,  
with you not being by our side,  
but still u showed us that sometimes you just gotta let it  
go,

#### Chorus

Its not goodbye,  
not even so long,  
cause knowin where u r  
your still shinin like a star,  
some day my time,  
will finally come,  
till then my friend my friend my friend.

#### Verse 2

i cannot lie its really hard,  
knowin ur somewhere really far,  
and you, shine like a bright star,  
ill never forget when u were here,  
i knew a mock was always near,  
and you,  
shine like a bright star,  
so now were struggling to survive,  
with you not being by our side,  
but still u showed us sometime u just gotta let it go,

#### Chorus

#### Bridge:
