I'm a rolling stone, all alone at last  
For a life of sin, I have paid the cost  
When I pass by, all the people say  
I'm just another guy on the lost highway

Just a deck of cards and a jug of wine  
And a womans lies make a life like mine  
Oh, the day we met, I went straight  
I started rolling down that lost highway

I was just a lad, nearly twenty-two  
Neither good nor bad, just a kid like you  
And now I'm lost, too late to pray  
Lord, I paid the cost on the lost highway

Now, boys don't stop to ramble around  
On this road of sin, are you sorrow bound?  
Take my advice or you'll curse the day  
You started rolling down that lost highway
