Why did you go  
Restin' your soul  
Restin' your soul  
Now I have to go  
Travelin' alone  
Travelin' alone

I don't blame you in  
So many different ways  
I might have done the  
Same myself  
But if you could see how  
I get through every day  
You'd know why I could  
Use your help

I've always wondered if  
We black out and just go  
That has always been  
My fear  
If you're looking for the  
Magic that's unknown  
Just know that you stole some  
Magic here
