Let's have christ for president.  
Let us have him for our king.  
Cast your vote for the carpenter  
That you call the nazarene.

The only way we can ever beat  
These crooked politician men  
Is to run the money changers out of the temple  
And put the carpenter in

O it's jesus christ for president  
God above our king  
With a job and a pension for young and old  
We will make hallelujah ring

Every year we waste enough  
To feed the ones who starve  
We build our civilization up  
And we shoot it down with wars

But with the carpenter on the seat  
Away up in the capital town  
The usa would be on the way prosperity bound!
