Well I'm going home, and it won't be long  
Well I'm going home, and it won't be long  
I got a somebody there, a make you leave me alone

You know you didn't want me, that's why I'm going  
home  
You know you didn't want me, that's why I'm going  
home  
I got a somebody there, a make you leave me alone

Wooo wooo wooo wooo  
Wooo wooo wooo wooo  
Wooo wooo wooo wooo  
Wooo wooo wooo wooo  
Wooo wooo wooo wooo  
Wooo wooo wooo wooo

I'm leaving today, and it won't be long  
I'm leaving today, and it won't be long  
Well everybody knows, you treated me wrong

Oh good-bye baby, I'm going back home  
Oh good-bye baby, I'm going back home  
I got a somebody there, a make you leave me alone
