I don't want much, I just want a little bit
Well I don't want it all, just give me a little bit
Just a eeny weeny bit, just a teeny weeny bit

Turn your lamp down low, honey slip me a kiss
Turn your lamp down low, I just can't resist
Just a eeny weeny bit, just a teeny weeny bit of your
love

Please love me forever, until the end of time
Please say you'll never leave me, that you'll always be
mine
Just a eeny weeny bit, just a teeny weeny bit of your
love

Turn your lamp down low, honey slip me a kiss
Please say you'll never leave me, I just can't resist
Just a eeny weeny bit, just a teeny weeny bit of your
love

I don't want much, I just want a little bit
Well I don't want it all, just give me a little bit
Just a eeny weeny bit, just a teeny weeny bit of your
love

Just a eeny weeny bit, just a teeny weeny bit of your
love

Just a eeny weeny bit, just a teeny weeny bit of your
love
