Who's that knocking on that door
I believe it's that collector man

Who's that knocking on that door
I believe it's that collector man

Tell him I say come back tomorrow
Cause I ain't got a dog gone thing

Tell him that I'm down ya'll
Lord I won't be down always

Tell him that I'm down ya'll
But I won't be down always

Tell him someday I'll have some money
Oh lord lord some of these days

Tell him I ain't got no money
Not that I try to live my day

Tell him I ain't got no money
But he know I try to live my day

Tell him any man ain't got no money
Can hardly find a place to stay

Tell him some day I'll have some money
I want everybody to watch and see

Tell him some day I'll have some money
I want everybody to watch and see

Tell him it's hard when kicked down
You know it will with a man like me

Last night I dreamed I caught the numbers
And made all my dreams come true

Last night I dreamed I caught the numbers
And made all my dreams come true

I dream I caught ten million dollars
Oh and drove away my blues
