The busy girl buys beauty  
The pretty girl buys style  
And the simple girl buys  
What she's told to buy  
And sees her world  
Through the brightly lit eyes  
Of the glossy romance of fashion  
Where she can learn...  
Top tips for the gas cook  
Successful secrets of a sexual kind  
The daily drill for beautiful hair  
And the truth about pain

What was anna ford wearing?  
What did angela rippon say?  
What will you do  
When you wake up one morning  
To find that god's made you plain  
In a beautiful person's world?  
And all those quick recipes  
Have let you down  
And you're 20? and not yet engaged  
Will you go look for the boy who says  
I love you let's get married and have kids

The busy girl buys beauty  
The pretty girl buys style  
And the simple girl buys  
What she's told to buy  
Through the brightly lit eyes  
Of the glossy romance of fashion  
Where she can learn...  
Top tips for the gas cook  
Successful secrets of a sexual kind  
The daily drill for beautiful hair  
In a mail order paradise...
