I have a right to trust my baby  
She always looks out for me  
I have a right to trust my baby  
She always looks out for me  
But that sweet woman, oooh, is so good to me

Every time my baby talk  
Chills run, run all over the place  
Every time my baby talk  
Chills run, run all over the place  
But that sweet woman, oooh, is so good to me

When I woke up this morning  
Tears was in my eyes  
When I woke up this morning  
Tears was in my eyes  
But that sweet woman, oooh, is so, so good to me  
Saint Jane, Saint Jane

Do it again Saint Jane, wait for me boy

I have a right to trust my baby  
She always looks out for me  
I have a right to trust my baby  
She always looks out for me  
But that sweet woman, oooh, is so good to me
