I got a yellow rose from Texas baby
I wanna pin it right on you
I got a yellow rose from Texas baby
I wanna pin it right on you
Well you know I love you baby
Oh I hope you love me too

I'm going way down in Texas baby
You know that's where the yellow rose grows
I'm going deep down in the heart of Texas baby
You know that's where the yellow rose grows
I'm gonna get a truck lot of yellow roses
Oh and bring them right to your door

I'm gonna call up my old girl in the morning baby
Oh and tell her I'm through
I'm gonna call up my old love in the morning baby
You know and tell her I'm through
I got a yellow rose from Texas baby
I wanna pin it right on you

Well here's a few things baby, I wanna do for you
I buy you a brand new Cadillac everything goes with it
too
Cause I love you baby, oh but just a hug won't do
I got a yellow rose from Texas baby
I wanna pin it right on you

I got a yellow rose from Texas baby
I wanna pin it right on you
I got a yellow rose from Texas baby
I wanna pin it right on you
Well you know I love you baby
Oh I hope you love me too

I going way down in Texas baby
You know that's where the yellow rose grows
I'm going deep down in the heart of Texas baby
You know that's where the yellow rose grows
I gonna pick a truck lot of yellow roses
Oh and bring them right to your door
