It's a complicated mixed up angry world  
Everybody's trying to get what they can  
I need a simple pretty sweetheart of a girl  
So I can help her un-understand  
So I can help her un-understand

Baby mess me up and honey bring me down  
Wanna fall on through to the underground  
Just do what you got and I'll - I'm gonna do what I can  
Cause every nice young girl needs an angry young  
man  
(Needs an angry young...)  
Needs an angry young man

It's a shit box, sky box, sex box kinda world  
Lucky if you float wade and stream  
I need a rainbow unicorn pink muffin girl (ah ah ah)  
So I can help destroy her every dream  
So I can help destroy her every dream

Baby mess me up and honey bring me down  
Wanna fall on through to the underground (la la la la la  
la la la)  
Just do what you got and I'll - I'm gonna do what I can  
Cause every nice young girl needs an angry young  
man  
Needs an angry young man  
(Needs an angry young...)

Ah ah ah

Baby mess me up and honey bring me down  
Wanna fall on through to the underground (la la la la la  
la la la)  
Just do what you got and I'll - I'm gonna do what I can  
Cause every nice young girl needs an angry young  
MAN!  
Needs an angry young MAN!  
Needs an angry young MAN!  
Needs an angry young MAN!  
(Needs an angry young...)  
(Needs an angry young...)
