At my window, sad and lonely
Of't times do I think of thee
Sad and lonely and I wonder
Do you ever think of me?

Every day is sad and lonely
And every night is sad and blue
Do you ever think of me my darling?
As you sail that ocean blue

At my window, sad and lonely
I stand and look across the sea
And I sad and lonely wonder
Do you ever think of me?

Will you find another sweetheart?
In some far and distant land
Sad and lonely now I wonder
If our boat will ever land

Ships may ply the stormy ocean
And planes may fly the stormy sky
I'm sad and lonely but remember
Oh, I'll love you till I die
