For your sparkling cocky smile I've walked a million miles

Beggin' you to come and wed me in the spring
Why do you, my dear, delay, what makes you laugh
and turn away?

You're a hesitating beauty, Nora Lee

Well, I know that you are itching to get married, Nora Lee

And I know how I'm twitching for the same thing, Nora Lee

By the stars and clouds above we could spend our lives
in love

You're a hesitating beauty, Nora Lee

We can build a house and home where the flowers
come to bloom

Around our yard I'll nail a fence so high
That the boys with peepin' eyes cannot see that angel
face

My hesitating beauty, Nora Lee

Well, I know that you are itching to get married, Nora Lee

And I know how I'm twitching for the same thing, Nora Lee

By the stars and clouds above we can spend our lives
in love

If you quit your hesitating, Nora Lee

We can ramble hand in hand across the grasses of our
land

I'll kiss you for each leaf on every tree
We can bring our kids to play where the dry leaves blow
today

If you quit your hesitating, Nora Lee

Well, I know that you are itching to get married, Nora Lee

And I know how I'm twitching for the same thing, Nora Lee

By the stars and clouds above we could spend our lives

in love
If you quit your hesitating, Nora Lee
