Whoa-whoa-oooh-oh-ow!

There she stood, in the street  
Smiling from her head to her feet  
I said, "Hey-now, what is this?  
-Now baby maybe, maybe she's in need of a kiss."

I said, "Hey! what's you're name baby?  
-Maybe we could see things the same."

Now don't you wait, or hesistate  
Let's move before they raise the parking rate! ow!

All right now  
Baby it's a-all right now  
All right now  
Baby it's a-all right now-oh oh ooh

Let me tell you now-hm

I took her home, to my place  
Watching every move on her face  
She said, "Look-ah, what's your game baby?  
-Are you trying to put me in shame?"

I said, "Slow-oooh-oh don't go so fast,  
-Don't you think that love can last?"  
She said, "Love? Lord above!  
-Now he's trying to trick me in love-ah!"

All right now  
Baby it's a-all right now  
All right now  
Baby it's a-all right now  
It's all right now ooh

(electric and bass guitar solos)

Oh yeah!  
Ah!  
Let me tell you all about it now!
