Ooh yeah

Ooh I'm burnin' up, I'm burnin' up
I'm burnin' up for your love
I'm burnin' up, I'm burnin' up
I'm burnin' up for your love

You let me down, turned me 'round
You messed around with my heart
What kind of woman with a smile on her face
Can tear your whole world apart, hey

I'm on fire, I feel it burnin' up
I'm on fire

Ooh I'm burnin' up, burnin' up
I'm burnin' up every night
I'm burnin' up, burnin' up
And burnin' up can feel so right

I see the smoke, I feel the heat
My life is going up in flames
How could you be so indiscreet
And still be so unashamed, hey

I'm on fire, I feel it burnin' up
I'm on fire

Hey you said you'd never leave me
You said we'd never be apart
You turned out to be a liar
And left me with a broken heart
Why did you do it babe? Yeah

I'm on fire, ooh burnin' inside, I'm on fire
Why did you do it baby?

Ooh I'm burnin' up, I'm burnin' up, I'm burnin' up for
your love
Ooh I'm burnin' up, see I'm burnin' up, I'm burnin' up
for your love
Watch me burn, see me burnin', 'cause my heart's on

fire

Watch me burn, see me burnin? up for your love

Watch me burn, see me burnin? up for your love

Watch me burn
