The wind was howling outside my door  
The rain was pouring, can't take no more  
Came out of nowhere, out of the night  
So cold and nasty, it was so right

It had to be so easy  
Been down that road before, yeah  
Down and dirty, baby, she's down and dirty  
Listen

My heart was pounding, head in a spin  
Spellbound and wicked for in a sin  
I had no warning about her kind  
It did not matter, babe, she did not mind

How could it be so easy  
I did not see her lies  
Down and dirty, baby, she's down and dirty

She'll take your money, down and dirty  
She'll steal your heart away  
She'll show no mercy, down and dirty  
Too bad I had to stay  
Oh no no, no

How could it be so easy  
I did not see her lies  
Down and dirty, baby, she's down and dirty, yeah

She'll take your money, down and dirty  
She'll steal your heart, oh yeah  
She'll show no mercy, baby (Down and dirty)  
Too bad I had to stay

She'll take your money, down and dirty  
She'll steal your heart away, yeah  
She'll show no mercy, baby (Down and dirty)  
Too bad I had to stay  
Yeah

Down and dirty, yeah  
Got to be so blind

Ooh, hey yeah
