Take me inside, don't leave me here
I'm breaking in two, shaking with fear
Throw me a line, or let me go
Just don't leave me here in the rain

My soul is on fire, I'm a desperate man
I'm battered and torn, I do what I can
Just look at these tears, flow down my face
Take me in out of the rain

Take me inside, lay me down
I'll love you now and always
Give me a sign, or let me go
Just don't leave me here in the rain
I said don't leave me here in the rain

Twisting our fate, send our lives down
Out of control, spinning around
I am still in tonight, leave me behind
Come to me out of the rain

Take me inside, lay me down
I'll love you now and always
Give me a sign, or let me go
Just don't leave me here in the rain
I said don't leave me here in the rain

~Guitar Solo~

Take me inside, lay me down
I'll love you now and always
Give me a sign, or let me go
Just come to me out of the rain

Take me inside, lay me down
I'll love you now and always
Give me a sign, or let me go
Just don't take me out of the rain
Said don't leave me here in the rain
I said don't leave me here in the rain
I said don't leave me here in the rain

Said don't
Shaking with fear
You know how I feel
Out of control
