GIMME GIMME

(Written by Mick Ralphs)

I rode into town last night, it must've been a quarter to three

I was looking for a place to clash, have some company
I saw you baby, sitting at the end of the bar
Hey honey, won't you come home with me? Won't you jump into my car?

You're gonna gimme all of your lovin'
Need it night and day
You're gonna gimme all your sweet lovin'
Stop me slippin' away, yeah
Leaving in the morning, headed for Chicago town

Hey baby, you know I ain't gonna call ya, so don't follow me around

I guess we had a good time, could I paint the town

But for now I'll be on my way, oh next time around I'm gonna give ya
All your sweet lovin'
I need it night and day
You're gonna gimme all of your lovin'

Stop me slippin' away, oh whoa
Oh yeah
You're gonna gimme all your sweet lovin'

I need it night and day

You're gonna gimme all your sweet lovin'

Stop me slippin' away
You're gonna gimme gimme all your sweet lovin'
I need it night and day

You're gonna gimme all your sweet lovin'

All your sweet lovin', yeah
Need it night and day
Hear what I say

All your sweet lovin'
