I recall in '82  
There was only me to talk to  
I was in my lonely world  
And then I found someone to walk to

I remember every second of every day  
But there was something not right  
And as day leads to night  
Over and over again

Well it seems so long ago  
That there were two of us together  
But it seems that love don't last  
And now it's true of us forever

If only life would go the way that you want it to  
Oh, but the feeling inside, and I know I can't hide  
Is starting all over again, and baby, you know

You got a hold on my heart  
You got a hold on my heart  
You know it gets stronger

The longer you keep us apart

Oh, you got a hold on my heart  
A serious hold on my heart  
I try to deny it  
But baby, that's the hardest part

When I look back on those days  
It's just a memory forever

If only life would go the way that you want it to  
But when I get this feelin' inside, I know I can't hide  
It's starting all over again

You got a hold on my heart  
Yeah, you got a hold on my heart  
You know it gets stronger  
The longer you keep us apart

Oh, you got a hold on my heart  
A serious hold on my heart  
I try to deny it  
But baby, that's the hardest part

Yeah, you got a hold on my heart  
Yeah, you got a hold on my heart
