I saw you 'cross the crowded room
You were lookin' my way
I don't believe in Lady Luck
Or what the cards portray
But I could see your shining light
And I'm in disarray

If I'm sleeping, don't wake me up
If I'm sleeping
If I'm sleeping, don't wake me up
If I'm sleeping

I thought I'd better break the ice
And started moving your way
I lost direction, the room got crowded
So I must have gone astray
I still don't know how it happened
There's only me to blame

If I'm sleeping, don't wake me up

If I'm sleeping
If I'm sleeping, don't wake me up
If I'm sleeping

I don't understand it
What is happening, what is happening?
It's not the way we planned it
What is happening? Take it away

I don't understand it
What is happening, what is happening?
It's not the way we planned it
What is happening? So take it away

If I'm sleeping, don't wake me up
If I'm sleeping
If I'm sleeping, don't wake me up
If I'm sleeping

If I'm sleeping, don't wake me up
If I'm sleeping, leave me alone

If I'm sleeping, if I'm sleeping
Why don't you leave me alone?
