Should have told you by now
But I can't find the words, oh, no
If I could show you somehow
But I don't have the nerve

And you don't see me looking at you
How can love be so blind?
Somehow, you don't notice me
Sooner or later there will come a time, baby

If you needed somebody
The way that I need you
If you wanted somebody
The way that I want you

The way that I want you

If I could hold you tonight
It would last me forever
But the time's never right
When will we be together, oh, no

If I could make you understand
What you're doing to me
Maybe there will come a time
When sooner or later I will make you see, baby

If you needed somebody
The way that I need you, baby, tonight
If you wanted somebody
The way that I want you

If I could tell you now
The way you make me feel
If I could show you somehow
Don't you know my lovin' is loved so real?

If you needed somebody
The way that I need you and baby, tonight
If you wanted somebody
The way that I want you

(If you need somebody)
I need you, I want you, I gotta tell you
The way that I need you
And if you wanted somebody
The way that I want you

(If you need somebody)
[Incomprehensible]
