Hello little Martha  
There you stand with the stems of the roses still in your  
hand  
The seasons of time  
The weather, your face, you little Martha, there's no  
disgrace

So now little Martha, here you live  
You're just 12 years old, have no time to play

The sun don't arise when you're not in my eyes  
Not a day goes by without you  
Even though you're looking down on me  
Tell me angel, will you remember me?

Oh little Martha, as I stand at your feet  
I see now that the circle is ought to complete  
Now while I stand here feeling so sad  
Because we both know the good times we had  
So now little Martha, here you live  
Your life is all gone, no time to play, oh

The sun don't arise when you're not in my eyes  
Not a day goes by without you  
Even though you're looking down on me  
Tell me angel

The sun don't arise when you're not in my eyes  
Not a day goes by without you  
Even though you're looking down on me  
Tell me angel, will you remember me?

Oh little Martha
