Lonely for Your Love

Whenever the day since been lonely
Can't turn this feeling away
I looked around you was gone
And I love you

I'm up all night again outta my head
Slippin' and slidin' on a downhill ride
And I'm going down slow and what do you know?
I love you

All alone, livin' my bed
I can't seem to get you outta my head
Don't look back
There's nothin' I can do without you.

Well, I'm lonely for your love
Lonely for your love
I'm lonely for your love at night

All right.
All alone, lyin' my bed
I can't seem to get you outta my head
Don't look back
There's nothin' I can do but I love you, I love ya

Well, I'm lonely for your love
I'm lonely for your love
I'm lonely for your love
Well, I'm lonely for your love
I'm lonely for your love
I'm lonely for your love at night

All right!

I'm lonely, you know I'm lonely
Yeah, yeah, yeah, yeah
So lonely for your love

I'm lonely for your love (fade)
