The Morning Sun Comes Thru My Window  
All Night Long I Have Been Waiting  
We Who Are Constantly Moving  
Leaving Part Of Us Behind

She Moves Across The Room With Easy Grace  
Mona Lisa Smiles Up On Her Face  
I Who Am Completely Mesmerized  
By The Sunlight In Her Eyes

Morning Sun Comes Thru My Windows  
All Night Long I Have Been Waiting  
We Who Are Constantly Moving  
Leaving Part Of Us Behind

Moves Across The Room With Easy Grace  
Mona Lisa Smiles Up On Her Face  
I Who Am Completely Mesmerized  
By The Sunlight In Her Eyes

And The Morning Sun Comes Thru My Window  
All Night Long I Have Been Waiting  
We Who Are Constantly Moving  
Leaving Part Of Us Behind
