Here come the jesters, 1, 2, 3  
It's all part of my fantasy  
I love the music and I love to see the crowd  
Dancing in the aisles and singin' out loud, yeah, yeah

Here come the dancers one by one  
Your mamma's callin' but you're having fun  
You find you're dancin' on the number 9 cloud  
Put your hands together now and sing it out loud

It's all part of my rock and roll fantasy, yeah  
It's all part of my rock and roll dream, yeah

It's all part of my rock and roll fantasy  
It's all part of my rock and roll dream, yeah

Put out the spotlights, one and all  
Then let the feelin' get down to your soul  
The music's so loud, you can hear the sound  
Reaching for the sky, churnin' up the ground

It's all part of my rock and roll fantasy  
It's all part of my rock and roll dream, oh, yeah

It's all part of my rock and roll fantasy  
It's all part of my rock and roll dream, yeah

Fantasy, yeah  
Fantasy, yeah
