Here come the jesters 1-2-3  
It's all part of my fantasy  
I love the music and I love to see the crowd  
Dancing in the aisles and singing out loud, yeah

Here come the dancers one by one  
Your mama's callin' but you're having fun  
You find you're dancin' on that number nine cloud  
Put your hands together and sing it out loud

It's all part of my rock 'n' roll fantasy  
It's all part of my rock 'n' roll dream, yeah

Put out the spotlights, one and all  
Let the feelin' get down do your soul  
The music's so loud you can hear the sound  
Reaching for the sky and turning up the ground

It's all part of my rock 'n' roll fantasy  
It's all part of my rock 'n' roll dream, yeah
