Bad Company
"Rock Steady"

Well, When I
Want to rock steady, Yeah
I kno
I got to get ready

Close my eyes
And I let myself go
Listen too, Ohhh
Baby let the music flow, Yeah

Turn on your light
And stay with me a while
And ease your worried mind

Turn on your light, Now babe
And stay with me a while
And rock steady, Yeahhhh

Oh, Now Rock Steady, Yeah, Rock, Rock Steady

When my love, Yeah
Gets a little bit too heavy (Rock Steady)
She's mine
And I got to get ready, Yeah

Close my eyes
And I let myself go, Ooohhh (Rock Steady)

I've listen too, Yeah
And I let the music flow, Yeah

Turn on your light
And stay with me a while
And ease your worried mind

Turn on your light and stay with me a while
And rock steady, Oh Yeah

Oh, Yeah

Turn on your light
And stay with me a while

And ease your worried mind

Turn on your light,
Stay with me a while
And rock, rock, rock, rock, rock, rock, babe

Turn on your lights, Whoaaa
Yeah, Yeah, Yeah, and ease your worried mind
Yeah, turn on your lights, Whoaaa

And Rock Steady
