"She Brings Me Love"

Sometimes I get a feeling
Deep in my soul
Sometimes I get a feeling
I just can't control

Sometimes I get a feeling
Deep in my heart
It's such a feeling
That I know we'll never part

She brings me love, love
I know it's all that I need

Sometimes I get a feeling
Deep in my bones
Sometimes I get a feeling
Won't leave me alone

Sometimes I get a feeling
Deep inside
It's such a feeling
That my love I can't hide

She brings me love, love
I know it's all that I need

She brings me love, love
I know it's all that I need
