Bad Company
"Shooting Star"

Johnny was a schoolboy
When he heard his first Beatles song
Love me do, I think it was
And from then it didn't take him long

Got himself a guitar
Used to play every night
Now he's in a rock n' roll outfit
And everything's alright, don't you know?

Johnny told his mama
"Hey, mama, I'm goin' away
Gonna hit the big time
Gonna be a big star someday"

Mama came to the door
With a teardrop in her eye
Johnny said, "Don't cry, mama"
Smiled and wave goodbye, don't you know? Yeah

Don't you know that you are a shooting star
Don't you know? Don't you know?
Don't you know that you are a shooting star?
And all the world will love you just as long
As long as you are

Johnny made a record
Went straight up to number one
Suddenly everyone loved
To hear him sing the song

Watchin' the world go by
Surprisin' it goes so fast
Johnny looked around him and said
Well, I made the big-time at last
Don't you know?
Don't you know?

Don't you know that you are a shooting star?
Don't you know? Whoa yeah
Don't you know that you are a shooting star?
And all the world will love you just as long

As long as you are a shooting star

Don't you know that you are a shooting star?
Don't you know?
Don't you know that you are a shooting star?
And all the world will love you just as long
As long as you are

Johnny died one night, died in his bed
Bottle of whisky, sleeping tablets by his head
Johnny's life passed him by like a warm summer day
If you listen to the wind you can still hear him play

Don't you know that you are a shooting star?
Don't you know? Don't you know
Don't you know that you are a shooting star
Don't you know?

Don't you know that you are a shooting star
Don't you know?
