Ooh yeah, ooh yeah

You got me cornered
There's no getting out alive
So wait a minute, woman
I need to switch out that light
We're a bad match, babe
You never know what's good for you
There's somethin' not right
I'm gonna tell you what to do

For 24 hours, you been comin' on so strong
Baby, I'm gettin' nervous, and pretty soon
I'm gonna prove you wrong

I've gotta tell it like it is
I know it's down to me
Can't go on like this
Our love is history
I'm gonna burn this bridge
You just wait and see
Tell it like it is, uh huh, hey

Face to face, a day I will never forget
Well I was beggin' for your love
You said you're not ready yet
Hey we've come a long way, babe
There's nothin', nothin' I won't do
And well I warn you tonight
My love is hot, I'm comin' for you

Yeah, for 24 hours, you've been puttin' me on
Maybe I'm gettin' nervous, and pretty soon
I'm gonna prove you wrong
I've gotta tell it like it is
I know it's down to me
Can't go on like this
Our love is history
I'm gonna burn this bridge
Just you wait and see
Tell it like it is, uh huh, hey

For 24 hours, you been comin' on so strong
Maybe I'm nervous, pretty soon
I'm gonna prove you wrong

I'm gonna tell it like it is
Yes it's always down to me
I can't go on like this
Watch your step, it's history
Gonna burn this bridge
You just wait and see
Tell it like it is, yeah uh huh

Tell it like it is
You wait and see
Can't go on like this
Our love is history
I'm gonna burn this bridge
I'm gonna burn you down
I'm gonna tell it like it is
I'm waitin', I'm waitin'

Tell it, tell it, tell it, tell it
Tell it, tell it, tell it like it is
No, you know it's still down to me
Tell it, tell it, tell it, tell it
Tell it, tell it, tell it like it is
You're history

You've gotta tell it, tell it, tell it
