Forget him, if he doesn't love you  
Forget him, if he doesn't ca-a-a-a-are

Don't let him tell you that he loves you  
'Cause he can't give you love that isn't there

Why don't you

Forget him, if he doesn't need you  
Forget him, if he doesn't ca-a-a-a-are

Don't let him tell you that he needs you  
For he cant give you love that isn't there

Oooh forget him, if he doesn't want you  
He'll break you heart just wait and see

So don't you cry now can you tell him good bye now  
Forget him come back to me

(Forget him, if he doesn't love you  
Forget him, if he doesn't ca-a-a-a-are)

(Don't let him tell you that he loves you  
For he can't give you love that isn't there)

Oooh forget him, if he doesn't love you  
He'll break you heart just wait and see

So don't you cry now, better tell him good bye now  
Forget him, come back to me

(Forget him)

Come back to me

(Forget him)

Come back to me
