[CHORUS]

Kissing tree, kissing tree  
Tell me, tell me do  
If I kiss by the kissing tree  
Will my love be true

Two went up to the kissing tree  
She had a faithful heart  
Her kissed her and he held her close  
Said we'll never part

But from the hill  
Such a cold wind blew  
The tree began to sway  
Then she knew that his love was false  
She knew he'd kiss and run away  
(Kiss and run away)

[Repeat CHORUS]

Two went to the kissing tree  
Both were deep in love  
They smiled and kissed so tenderly  
The moon smiled from above

Then high on top of the kissing tree  
A bud burst into bloom  
Then they knew that their love would last  
As long as there was sun and moon  
(As there was sun and moon)

[Repeat CHORUS]

When I go up to the kissing tree  
To kiss the one I love  
Oh, let the cold wind hold it's breath  
From every branch above

Let every bud on the kissing tree  
Become a blossom true  
Then I will know that you love me  
As much as I love only you

(As much as I love you)

[Repeat CHORUS]

(Kissing tree, kissing tree)

(Kissing tree)
