"Blue Christmas"

Iâ€™ll have a blue Christmas without you
Iâ€™ll be so blue just thinking about you
Decorations of red on a green Christmas tree
Wont be the same dear, if youâ€™re not here with me

And when those blue snowflakes start falling
Thatâ€™s when those blue memories start calling
Youâ€™ll be doinâ€™ all right, with your Christmas of white
But Iâ€™ll have a blue, blue, blue, blue Christmas

Iâ€™ll have a blue Christmas without you
Iâ€™ll be so blue just thinking about you
Youâ€™ll be doinâ€™ all right, with your Christmas of white
But Iâ€™ll have a blue, blue, blue, blue Christmas
But Iâ€™ll have a blue, blue, blue, blue Christmas
