Well I wish, I was born  
A thousand years ago  
And I wish that I sailed  
The darkened sea  
On a great big clipper ship  
Goin' from this land into that  
In a sailors suit and cap  
Away from the big city -  
Away from the big city

Where a man cannot be free  
Of all the evils in this town  
And of himself and those around  
And I'm closin' in on death

And I guess that I just don't know  
And I guess that I just don't know

Ah - Jesus died for somebody's sins  
But not mine  
Jesus died for somebody's sins  
But not mine

I don't know just where I'm goin' - Ahh  
But I'm gonna try for the kingdom  
if I can - yeah  
'Cause it makes me feel like I'm a man  
When I put a spike into my vein  
And I tell you things aren't quite  
the same  
It's a mainline to my pain

Jesus died for somebody's sins  
But not mine - HEROIN  
Jesus died for somebody's sins  
(I can feel it)  
But not mine - HEROIN  
I said, Jesus died for somebody's sins  
But not mine - HEROIN

I have made a very big decision

I gonna try to nullify my life -  
you know  
I get so low and then the smack flows  
I don't care I'm gonna make it my wife  
Because when the blood begins to flow  
And shoots up the droppers neck  
And I'm closin' in on death  
You can all go take a walk

And I guess that I just don't know  
And I guess that I just don't know

Jesus died for somebody's sins  
But not mine - HEROIN  
Jesus died for somebody's sins  
(I can feel it)  
But not mine - HEROIN  
I said, Jesus died for somebody's sins  
But not mine - HEROIN  
I said, Jesus died for somebody's sins  
But not mine - HEROIN not mine,  
HEROIN, smack attack

Jesus died for somebody's sins  
But not mine - HEROIN  
Jesus died for somebody's sins  
But not mine - HEROIN  
Jesus died for somebody's sins  
But not mine - HEROIN  
Jesus died for somebody's sins  
But not mine - HEROIN  
Smack attack

Don't touch that needle  
V.R. H E R O I N  
V.R. H E R O I N  
V.R. HELL H E R O I N (forever)  
And I'm closin' in on death  
H E R O I N
