The greyhound's rocking out tonight
To maximum rockabilly
When two punks chose to risk the subway
For a tube to picadilly
And the zephyrs stir fast gangs for glory
Another dumb casualty
Having fun
In south west six
When a hidden flick knife flicks
Kiss me deadly tonight

Another battle was won and lost
Down the bishops end last night
Spotlights pick the kids in triumph

With a thousand scarves in flight, see how they run
Spring from the terraces in black and white
Young and old into the fight
Having fun
In south west six
With violence for a fix
Kiss me deadly tonight

Seven o'clock they stand in rank
For the thirty bus uptown
And later in a downstairs room
She pulls her lover down
In ecstasy but they can't make a sound
Case her mother might come down
Having fun
In south west six
Discovers teenage sex
Kiss me deadly tonight

The snooker hall is empty
Cos they're all out playing pool
Hustling down the fulham road
Doing deals with mr.cool
They're on the waterfront now instead of being at
school
Too old now to dig pinball
Having fun

In south west six
Having fun
When a hidden flick knife flicks
With violence for a fix
Discovers teenage sex
Tried shooting up for kicks
Kiss me deadly
Kiss me deadly
Kiss me deadly
Kiss me
Kiss me tonight
