Sun goes down, I rise
Red hair flames so bright
Iced gin breaks the night

Steal into her mind
Walk without a sound
Fire in the mountains now

If you wanna rub-a-dub, rub-a-dub
If you wanna rub-a-dub, dub love
Love calling, love calling

If you wanna rub-a-dub, rub-a-dub
If you wanna rub-a-dub, dub love
Love calling

So baby rock on
Clap hands, clap hands
For the song man
Rock on, rock on

Ooh, baby rock on
Clap hands, clap hands
For the song man
Rock on, rock on

Song man dreams for you
Moves his clapping space
Turns us into snakes, hot hits

And the blue moon move, move, move
Move until we die
Move until she cries

If you wanna rub-a-dub, rub-a-dub
If you wanna rub-a-dub, dub love
Love calling, love calling

If you wanna rub-a-dub, rub-a-dub
If you wanna rub-a-dub, dub love
Love calling
Ooh baby, rock on

If you wanna rub-a-dub, rub-a-dub
If you wanna rub-a-dub, dub love
Love calling, love calling

If you wanna rub-a-dub, rub-a-dub
If you wanna rub-a-dub, dub love
Love calling

Ooh baby, rock on
Clap hands, clap hands
For the song man
Rock on, rock on

Ooh baby, rock on
Clap hands, clap hands
For the song man
Rock on, rock on

Ooh baby, rock on
Clap hands, clap hands
For the song man
Rock on, rock on
Ooh baby, rock on
